

Adult Photograph Permission

Rowe Training & Consulting request for your permission to film and photograph you; use supplied existing films or photographs of you or prints your work/illustrations in our publications and website.

Please fill out the permission slip below if you agree to grant Rowe Training & Consulting permission to use film and photographs of you or illustrations produced by you. Non-Return of this form will be taken as a refusal to grant permission and any film or photos of you taken during a photographic or filming session must therefore be discarded.

Thank you for your assistance.

Sincerely,
Rowe Training & Consulting Team.

Rowe Training was established by Debbie Rowe in 2006. Rowe Training & Consulting became an RTO (Registered Training Organisation) in 2007. As a direct result of clients who had been attending professional development workshops requested if their learning could be put towards Nationally Recognised Qualifications.

Rowe Training & Consulting has a small staff team who develop close relationships with their students, and ensure that learning solutions meet and exceed their needs.

At Rowe Training and Consulting we concentrate on the learning process enabling individuals to achieve their best for themselves and their organisations. We believe that good training can change people's lives, and bad training just puts them to sleep.
