As of the 1st of January 2015, all Australians who undertake Vocational Education and Training [VET] must have a USI. The USI ensures that people can obtain a complete record of their enrolment and achievements from a single online source.

If you do not have a USI a Registered Training Organisation (RTO), such as Rowe Training and Consulting, cannot issue a Statement of Attainment (SOA) or Qualification Certificate upon the successful completion of training.

USIs form an important part of the student records system, they can be obtained at any time. Please create your USI and submit to Rowe Training and Consulting when completing your Enrolment Application Form.

For trainees, the assessments and due dates will be negotiated and recorded when we develop the Training Plan. Failure to achieve competency will result in further negotiation with you, your workplace supervisor and Rowe Training, which will be documented on your Training Plan. If you are finding it difficult to complete your assessments please speak to your Training Facilitator or the Managing Director Debbie Rowe.

NYC	=	Not Yet Competent

Please note if you are having any difficulties with submission or accessing your course online contact administration (see contacts on page 4) who will be able to support you with the process or give you an alternative option.

Our Complaints and Appeals policy is also available on our website for you to view at:

www.rowetraining.com.au/studying-us/policies-and-downloads

What is a complaint?

A complaint is negative feedback about services or staff which has not been resolved locally. A complaint may be received by Rowe Training and Consulting in any form and does not need to be formally documented by the complainant in order to be acted on. Complaints may be made by any person but are generally made by students and/or employers.

What is an appeal?

An appeal is an application by a student for reconsideration of an unfavourable decision or finding during training and/or assessment. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be submitted to Rowe Training and Consulting within 28 days of the student being informed of the assessment decision or finding.

Early Resolution of Complaints and Appeals

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved, where possible. Sometimes, it will not be possible and in these cases you are encouraged to come forward and inform us of your concerns with the confidence that you will be treated fairly.

QUALITY ASSURANCE

RTC is bound by requirements under the VET Quality Framework. In line with these requirements and to ensure high quality of service delivery, we undertake regular evaluations of student learning, on site with students and employers and following the completion of courses and through an annual student review. Results of each annual review will be provided to all students in our student newsletter and will be published on our web site.

We use information gathered from this process to make improvements to our training programs and services to all our clients.

Please ensure you access and read the following policies found on our website:

- » Student Enrolment
- » Refund Policy
- » Assessment
- » Complaints and Appeals
- » Core Skills Support (Language, literacy and numeracy)
- » Privacy

These are available for download at: www.rowetraining.com.au/studying-us/policies-and-downloads

Suspected criminal behaviour will be reported to police authorities immediately.
